

The Smithsonian Tropical Research Institute (STRI) has compiled the following list of frequently used translators for your convenience only. You are free to contact and contract any other translator of your choosing. Providing you with this list does not constitute an official endorsement by STRI of any of the translators named. STRI is not responsible for the accuracy of the translations produced by the translators named in the list. It is your responsibility to coordinate your translations and payments of related fees directly with the translator you have contracted. STRI is not responsible for the protection and privacy of any information you provide to the translator of your choosing, such as personal contact details, texts, personal identification information and any other information of any kind.

## TRANSLATORS

### English/Spanish
